

Μαθηματικά Β' Νοερές πράξεις πρόσθεσης

1. Να βρεις τα αθροίσματα χρησιμοποιώντας την αριθμητική γραμμή.

$14 + 25 =$

A horizontal number line with arrows at both ends.

$45 + 33 =$

A horizontal number line with arrows at both ends.

$77 + 11 =$

A horizontal number line with arrows at both ends.

$41 + 35 =$

A horizontal number line with arrows at both ends.

$63 + 23 =$

A horizontal number line with arrows at both ends.

$22 + 35 =$

A horizontal number line with arrows at both ends.

$33 + 36 =$

A horizontal number line with arrows at both ends.

2. Να βρεις τα αθροίσματα χρησιμοποιώντας το κολπάκι «Σπάζω τους αριθμούς».

$$35 + 24 = 30 + 20 + 5 + 4 = 50 + 9 = 59$$

$$23 + 22 = \dots\dots\dots$$

$$14 + 14 = \dots\dots\dots$$

$$14 + 14 = \dots\dots\dots$$

$$52 + 11 = \dots\dots\dots$$

$$14 + 53 = \dots\dots\dots$$

$$87 + 12 = \dots\dots\dots$$

3. Να βρεις τα πιο κάτω αθροίσματα με όποιον τρόπο θέλεις.

$$25 + 13 =$$

$$62 + 32 =$$

$$37 + 22 =$$

$$55 + 11 =$$
